FINANCIAL SERVICES AND MARKETS ACT 2000

IMPORTANT NOTICE: Wealth Warning

The information presented at this event has not been approved by an authorised person within the meaning of the Financial Services and Markets Act 2000. As such, further information on any company presenting can only be provided by “Eligible Recipients” as defined by the Financial Services and Markets Act 2000 ("FSMA"), which include the following: (a) Persons with professional experience in matters relating to investments of the type described as described in article 19 of the Financial Promotion Order; or (b) Persons of the kind described in article 48, 49 (2), 50 and 50A of the Financial Promotion Order; or (c) Any other persons to whom this document may be lawfully communicated. Investment in the types of businesses featured in this Investor Bulletin carries high risks as well as the possibility of high rewards. Potential investors should be aware that no established market exists for the trading of shares in private companies and that they risk losing all of their investment. In compiling information, Prime Advantage Capital Partners ('PACP') has relied upon information provided by the directors and employees of each business. Accordingly, Prime Advantage Capital Partners can not be held liable for recommendations and opinions based on that information where it is inaccurate or incomplete. Before investing in any business opportunity of this kind, individuals are strongly advised to verify all material facts and information for themselves.
